Some might think that this is burdensome. This is Satan's world; please follow the leading of God's Spirit on this. The world today isn't afraid to look at ingredients to avoid eating fat, cholesterol, salt, etc. but we have a much higher authority to answer to when avoiding the flesh of unclean animals.

If you have any further questions, you can contact Elijah at <http://www.elijah.com/>. He has offered to send you a list of clean/unclean foods by return e-mail.
