To purchase one or more products by regular mail, print and fill out an [order form](#) and send it to me along with your cheque or money-order made payable to "Connie Lacelle" in Canadian funds. (Please do not send cash in the mail.) On the order form include shipping/handling charges from this chart. (They are based on Canada Post's most economical January 2008 rates.) If you live off the North American continent, want faster postal service, or think I can reduce shipping/handling costs (which is probable if you are purchasing a combination of items), please e-mail me for precise shipping charges. You can complete my [contact form](#) or send your own e-mail to: "products" at "home-and-school-solutions.com".
Note: These charges are listed in Canadian dollars.
