To purchase one or more products by regular mail, print and fill out an [order form](#) and send it to me along with your cheque or money-order made payable to "Connie Lacelle" in Canadian funds. (Please do not send cash in the mail.) On the order form include shipping/handling charges from this chart if you are purchasing one or two copies of something. (They are based on Canada Post's most economical January 2017 rates.) If you live off the North American continent, want faster postal service, want 3 or more copies of something, or think I can reduce shipping/handling costs (which is probable if you are purchasing a combination of items), please e-mail me for precise shipping charges. You can send an e-mail to: "connie" at "home-and-school-solutions.com".

Note: These charges are listed in Canadian dollars.

June 2017
